### First, get an overall understanding and then focus on the details

Seiji Fuji has visited 82 different countries all over the world. His travels and experiences overseas have enabled him to verify his knowledge gathered by reading newspapers since he was an elementary school student, as well as to learn about the cultures and customs of different countries. He has formed relationships with people in the various countries he has visited, including holding three-person talks with former President Fidel Castro of Cuba and also becoming acquainted with Lee Teng-hui, former president of the Republic of China, Kim Young-sam, former president of South Korea, Nambaryn Enkhbayar, former president of Mongolia, and Dr. Zahi Hawass, a leading Egyptologist. Along with being tuned into world politics, economics, and military affairs, Fuji is also deeply interested in history, culture, architecture, and design. He is also active as a social commentary essayist, commercial film producer, copy writer, planner, and designer. His hobbies include shooting, tennis, and skiing. He also loves motor sports and even has racing experience. He entered a private team in the FIA World Rally Championship in Australia, which won third place worldwide in the N Class.
